Oil & Gas

Dedication, Experience, integrity, commitment and performance are the building blocks of our company and the reason for our success. Our expertise is in the international market, where we pride ourselves on our ability to provide timely response to customers and hands on experience, as well as the desire to achieve a high level of excellence.

Heavy Equipment & Diesel Engines

➤ Air Compressors and Pumps.

-We supply new Stationary, Portable air compressors, air tools, air compressor parts with all Accessories. We represent the finest electric and diesel air compressor products in the industry with names like Atlas Copco, Ingersoll Rand, Bauer, Sullair. Also Sandpiper pumps and spare parts. We work with the best and most responsive manufacturers around the world to deliver the right products to our customers in the shortest possible time.

Compressors

KD Advanced Equipment Corporation provides you with the consumable parts you need to keep your equipment in peak condition. We help you select the most energy-efficient, reliable and cost-effective compressor solution without compromising on efficiency or reliability. We suggest the best brands; like **Atlas Copco, Bauer, Chicago Pneumatic, Worthington, Kaesar, Ingersoll Rand, Sullair, Elgi, Doosan, Gardner Denver.**

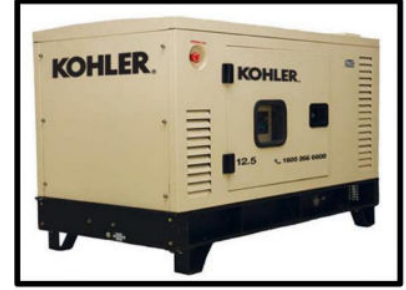

Filters

We suggest the best brands; like **Fleetguard, Parker, Mann Filter, Baldwin**

Generators

Whether your requirement is Diesel, Natural Gas or LP, **KD Advanced Equipment Corporation**, provides you Industrial Generators to fit your needs from **CAT, Perkins, Cummins, FG Wilson, Kohler, John Deere and much more**. Our after sales service support is unmatched.

Material Handling

We offer a truly one stop shop for all your material handling and storage needs. In terms of product supply and support we offer a wealth of experience and expertise at your service: A comprehensive range of materials handling & storage solutions that are right for your business

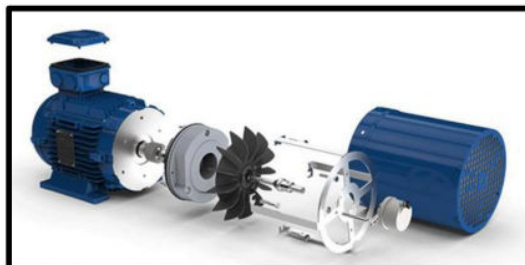

We represent the world's leading forklift manufacturers, such as Nissan, Voltas, Lonking, Crown, Godrej, Cat Lift Trucks, Mitsubishi Forklifts, Jungheinrich trucks, Linde, Doosan, Toyota, Clark container handlers and industrial forklifts and more.

Motors

KD Advanced Equipment Corporation is a leading distributor of premium motor products and takes pride in representing manufacturers such as WEG, A.O. SMITH, BALDOR, LINCOLN and many more. We deal in electric motors which are engineered to be reliable, durable & energy efficient which have been able to deliver years of dependable service in the toughest environment and under the harshest operating conditions.

Electricals

KD Advanced Equipment Corporation is a complete provider of professional grade electrical component and systems solutions for growing industrial companies throughout the world. We distribute industrial electrical equipment, electrical control components, solenoid valves, electrical enclosures and many other electrical products from leading brands like **ABB**, **Siemens**, **Schneider**, **Eaton** and **Honeywell**.

Testing Instrument

We are the leading source for Test & Measurement equipment from world leading brands like **Argus**, **Kyoritsu**, **Sumitomo** and **Fluke**.

Diesel Engines and Spare parts

- **KD Advanced Equipment Corporation** aim to provide our customers with genuine products that maintain & improve the efficiency of their equipment. We understand that Engines are the Heart of your machinery or generators and as such are performance critical. With our experience, we know which brands to stock & supply ensuring savings Without risk.

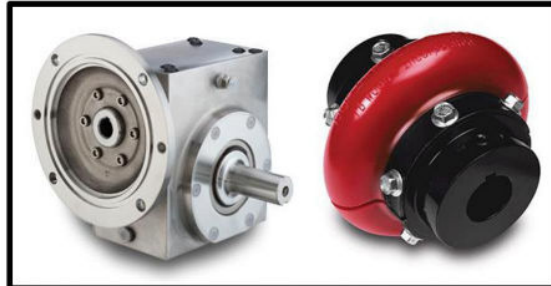

Bearings

We supply high quality bearings that comprise of deep groove ball bearings, angular contact ball bearings, self-aligning ball bearings, cylindrical roller bearings and tapered roller bearings, spherical roller bearings, thrust ball bearings, and many more. Due to best quality brands like SKF and Timken and market leading prices, we have a wide client base built on trust

Power transmission

We have an in-depth knowledge of the industrial requirements, which Helps us updated with the market trends. We suggest the best brands like **V-Belts (Gates), KTR Couplings, Mechanical Seals.**

Hydraulics

KD Advanced Equipment Corporation deals from high technology industrial equipment to handheld devices, we have the right tools to address your everyday challenges with precision and confidence. We suggest the best brands like **Enerpac** and **Parker**

Adhesive

KD Advanced Equipment Corporation aim to provide our customers with genuine products that maintain & improve the efficiency of their equipment. Due to best quality brands like **Loctite** and **Bostik** and market leading prices, we have a wide client base built on trust

Fittings

We are the leading source for Test & Measurement equipment from world leading brands like **Parker** and **SpirStar**.

Mud Agitators

-We offer our clients leading-edge solutions and around-the-clock, Award-winning service to maximize rig solids control efficiency. Mud Agitators separation technology offers unmatched solids removal performance. Using this equipment and innovative screen technology, customers Continuously recycle and re-use drilling fluid, while also controlling Drilled solids and impact on the environment.

Rig Motors

Baldor-Reliance **Electric Motors** are designed for the highest levels of performance and durability in all environments. Motors are available as Single Phase, Three Phase General Duty: Brakemotors Washdown Duty Automotive Duty: Vertical Motors; and Inverter Duty. Superior energy saving design means reduced operating cost & added value over the life cycle of the motor. As energy-efficiency becomes a number one priority world-wide, more companies are turning to the Baldor Reliance Super-E including plant and processing applications and OEM products. Baldor-Reliance is widely seen as a global leader in the field of energy-efficient motors and drives.

ENERPAC 

-For mission critical applications Enerpac provides tools and solutions that makes your work safer and easier to perform Enerpac provides the largest selection of hydraulic cylinders, jacks and rams. We have a solution for virtually any application -lifting, pushing, pulling, bending or holding-in most industrial and commercial work environments.

Industrial Control & Automation

In Industrial control and Automation we supply Motor Starter Solutions, Variable Speed Drives & Soft Starters, Automation & Interface Relays, Encoders for ABB, SCHNEIDER, Appleton brands. Appleton brand has long been the hallmark for the protection of people and equipment while delivering Reliable power. Count on certified protection for any environment, from Ordinary commercial settings to harsh industrial conditions, in any region of the world. APPLETON. Lighting, and power distribution solutions are designed to operate without incident because failure is not an option.

Pneumatic and Power Tools

- Industrial Clutches
- Industrial Brakes
- Pneumatic control valves
- Winches and Winches

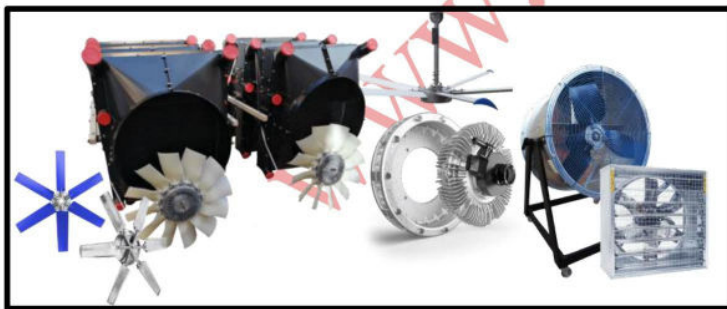

Our tools products range includes Automotive, Aerospace, Civil Works, Equipments & Machineries. We stock world class brands like Dewalt Bosch Ingersoll Rand, Chicago Pneumatic, Facom Stanley Ridgid, Proto and Greenlee. Air Tools: Percussive Tools, Grinding and finishing. Drilling and fastening. Bolting, Cordless Tools.

Brands:

Bosch Rexroth, Eaton, Braden, Ingersoll rand Air Solutions

Fans

KD Advanced Equipment Corporation deals from high technology industrial equipment and is leading source for Fans from world leading brands like **Wingfan**, **Ostberg** and **Rittal**
